### Position Description:

The All Saints Church (ASC) is located on the Durham/Chapel Hill line and is a growing and vibrant Anglican church. ASC has an opening for a Nursery Leader. This individual will manage Sunday morning in Nursery (birth to age 2.5). The Nursery Leader arrives before church to set up the classroom, ensures the room is safe, maintains child protection standards as trained by ASC staff, and executes Nursery programming. The Nursery Lead reports to the Children's Ministry Director (who is present on Sunday mornings and approves time cards). The Nursery Leader is the consistent face of the Nursery for our littlest church members and therefore a weekly commitment and presence is paramount to this role's success. The church has 3-4 adult volunteers that rotate each Sunday and will work with the Nursery Lead in the room. The rotation of these volunteers is managed by the Children's Ministry Director.
